(*Forest Hill, MD*) **Stork Headquarters** recently celebrated its first full year of operations. Based on direct survey responses, the Company is pleased to announce that it achieved an 100% “excellent” rating for overall customer satisfaction during this period.

In marking the occasion, **Kimberly Kordela**, Proprietor and President, said, “It’s been a great year, including the growing pains. I’ve been thrilled to be a special part of so many births in our area. With such high marks in our maiden year, it’s nice to hear that the people we served appreciated the effort put into our work. We proved that excellent products and services aren’t just a goal to be pasted on the wall. We did it.”

Stork Headquarters’ customers typically included comments in the survey responses regarding the Company’s products and service, such as: “Many thanks – the quality and service that you provided was superior – we will certainly recommend you to all of our ‘expecting’ friends.” (*Mary & Kurt, Perry Hall*) And: “You’ll never know how much I appreciate you taking care of everything on such a short notice. Your service will be highly recommended!” (*Nancy, Bel Air*)

About the Company

Stork Headquarters produces and rents lawn signs to announce a baby’s birth. The Stork signs are a copyrighted creation of Stork Headquarters which are handcrafted and hand-painted by the company. A customized deluxe plaque with hand-painted lettering of baby’s name, birth date and other particulars typically accompanies the rental display and is available for separate purchase. Stork Headquarters’ commitment to providing the highest quality design, manufacture, and customer service is unsurpassed in the industry.
